

Heartstrings Unplugged

by Gabriel Saalfeld and Michael Saalfeld, The Royce Twins.

My sweet love, the apple of my eye, we will be, forever young,
my heartstrings and the love you bring,
have struck a chord, that won't ever fade.

And we will kick it old school like horse and cart.
Gimme your hand, I'll give you my heart.
So much to say, but where do I start, where do I start.

And we will find sweet serenity you and I, and we will find our perfect
harmony. A love for us for all we'll find I'll wait for you til the end of
time, you know I will, I'll never let you cry,
so let me hold you tonight.

Know this man, will hold your hand, through thick and thin, any
trouble you're in and my heartstrings and the love you bring,
have struck a chord that won't ever fade.

And we will kick it old school like horse and cart.
Gimme your hand I'll give you my heart.
So much to say, but where do I start, where do I start.

And we will find sweet serenity yeah you and I, and we will find our
perfect harmony. A love for us for all we'll find, I'll wait for you til the
end of time, a promise true that's kept in kind,
and fate has made our hearts collide.

You know I will, never let you cry. You know I will, never let you cry, so
let me hold you tonight.
